

### Gentry's Bambi 8-31-02

This light brown female has a dense, crimped fleece. She is a good mother with plenty of milk. She placed at 2003 N.A.I.L.E., Louisville, KY. Her dam is JCS Sunbeam and her sire is Peruvian King's Rocky. Bambi is bred to Great White Hope for a spring cria. Purchase price includes one breeding. Price \$12,000

### Cinnamon Sugar 6-26-2008

This young cria is just as sweet as sugar. She has her sire's great disposition and her dam's fine fleece. Ms. Cinnamon Twist and Great White Hope's offspring will be a great addition to your herd at \$3000.

### Slate 3-23-03

Slate's rose gray lineage from his grandmother "Pretty in Pink" is evident in his soft rose-tinted fleece. He won a blue ribbon at the 2003 North American International Livestock Expo. The judge stated "I can find no fault with this alpaca". Slate's fleece is a handspinner's dream. This medium Silver Grey male is priced at \$3,000.

### Great White Hope 3-2-99

This stunning, white full Peruvian herdsire, out of Peruvian Paul and PPPeruvian Lizzie is a dense crimped male with great coverage. His charming personality and great disposition, combined with excellent conformation makes him an outstanding herdsire. Price \$ 10,000.
