

# Slate

Slate's rose gray lineage from his grandmother "Pretty in Pink" is evident in his soft rose-tinted fleece. He won a blue ribbon at the 2003 North American International Livestock Expo. The judge stated "I can find no fault with this alpaca". The fiber processor, in 2007, noted "this is the best grey fleece I have processed. Breedings to this medium silver gray and white Herdsire, born 3-23-03, are being reserved now. Herdsire fee: \$1000
